

POOL PRODUCT CATALOG USER GUIDE

- A** To find our product catalog go to our website and click on "Document Library".
- B** On the "Document Library" you will see "VIEW OUR POOL & SPA PRODUCT CATALOG".
- C** You can also find it under "POOL & SPA" product category under "Pool & Spa Catalog".
- D** Browse through our product catalog.

A  These settings allow zoom in, zoom out, and reset to original position.

B  This setting is powerful, it provides you with the ability to search the content in three simple ways: bookmark hyperlinks, thumbnail previews, and search.

C  Easy flip through navigation control.

D  You can download a PDF to print and/or save on your device.

E  Maximize the view to full screen.

F  Additional features for editing sounds and light.
