Gas Furnaces

Features & Benefits:

1. A 34" cabinet height for all capacities keeps installation space requirements to a minimum.
2. Gas and electrical access points are on both the left and right sides.
3. Extremely efficient and reliable hot surface ignitor.
4. Special service lights provide quick system diagnostics.
5. Patented Turbulex® primary heat exchanger.
6. The secondary heat exchanger, made of 29-4C stainless, extracts even more heat to make this one of the most efficient furnaces in the world. Both the primary and secondary heat exchangers carry a 20-year limited warranty.
7. A permanent washable filter can help you keep your furnace clean and operating at its most efficient level. (Kit required)
8. The "brain" of this dependable furnace is our solid state integrated furnace control that directs furnace operations for the most efficient heating of your home.

Limited Warranty Information

Rheem supports its equipment with strong warranties and dependable, professional service. That's why Rheem backs the Classic® 90 gas furnaces with a generous 20-year Limited Warranty on the Heat Exchanger. All other parts have a Limited Parts Warranty of five years.

Protection You Can Count On

While your Rheem equipment is incredibly dependable and covered by an outstanding warranty, you can extend your warranty coverage with Protection Plus® extended service protection. Then you can relax and enjoy the comfort of your Rheem gas furnace – without worrying about the cost of parts or labor for unexpected repairs. And when Protection Plus is purchased in conjunction with your dealer's maintenance program, you can enjoy the peace of mind that your equipment will be both maintained and repaired – as needed and without additional expense. Ask your dealer about the variety of Protection Plus plans now available. For more information, call 1-877-276-4294 or visit www.protectionplusonline.com.

Kwik Comfort Financing

Ask your Rheem dealer about *Kwik Comfort® Financing*, the easy and convenient way to finance everything associated with your Rheem equipment – your original equipment, all subsequent service, Protection Plus® extended service protection, and even the comfort options you might choose to add later.
