Want to learn more about how your home's heating and cooling system operates? Take the interactive Rheem Virtual Home Comfort Tour online at Rheem.com/VirtualTour.

Model RAPM-JEZ

- Features on-board system diagnostics
- Up to 16.00 SEER in certain matched systems
- Active compressor protection
- Broad range of cooling capacities from 18,600 to 62,500 BTU/HR
- A 10-year limited warranty on all parts, and a 5-Year conditional unit warranty is provided

Features and Benefits:

Comfort Control System™

The Comfort Control System provides:

- **On-Board Diagnostics** - The Rheem exclusive 7-Segment LED Display on the control board quickly and accurately shows your contractor the source of system malfunctions. This feature aids the contractor in servicing or repairing your unit, saving you time and money.
- **Fault Recall** - Even if there is a power failure, this feature will retain the system's "operation history" and will display it on the control board for quick and easy viewing during service calls.
- **Active Protection** - The feature monitors your system to prevent the compressor from operating when potentially harmful conditions are detected.
- **Increased Dependability** - The thermostat communication capability can alert you to any necessary service requirements, giving you peace of mind that your home comfort is guaranteed.

Heart & Scroll

The heart of your condensing unit is the compressor. That's why every Rheem unit features a Scroll® Compressor – widely recognized as the industry leader for performance and durability.

Humidity Control

When matched with a *Prestige Series*™ Air Handler, the system adjusts airflow to help control humidity for unsurpassed comfort in the cooling mode.

Durable Cabinet

Our galvanized steel cabinet protects your Rheem unit from the elements, helping reduce maintenance expense.

Low Corrosion and Sound

A special base pan elevates the unit off the pad and away from corrosive condensation. More quiet performance and lower vibration levels also result.

Fan-tastic

Our motor mount prevents damage to your fan motor, extending its service life. For quiet operation and improved efficiency.

Limited Warranty Information

Rheem supports its equipment with strong warranties and dependable, professional service. That's why Rheem backs *Prestige Series*™ 14 SEER RAPM- JEZ models with a generous 10-year limited warranty on all parts. In addition, a 5-year conditional unit replacement warranty is provided. See the Rheem *Prestige Series*™ Warranty Card for complete details.

Protection You Can Count On

While your Rheem equipment is incredibly dependable and covered by an outstanding warranty, you can extend your warranty coverage with Protection Plus® extended service protection. Then you can relax and enjoy the comfort of your Rheem Condensing Unit – without worrying about the cost of parts or labor for unexpected repairs. Ask your contractor about the variety of Protection Plus plans now available.

For more information, call 1-877-276-4294 or visit www.protectionplsonline.com.

KwikComfort® Financing

Ask your Rheem contractor about *KwikComfort*® Financing, the easy and convenient way to finance everything associated with your Rheem equipment – your original equipment, all subsequent service, Protection Plus® extended service protection, and even the comfort options you might choose to add later.
