- Models featuring Electric Heat without Indoor Cooling Coil

R-410A
earth friendly refrigerant

*There are
some things
in life
you can always
rely on.*

Ruud is one of them.

- **Multi-position, compact design minimizes space required in new construction and retrofit applications**
- **Broad range of airflow capacities from 18,000 to 60,000 BTU/H**
- **A 5-Year limited warranty on all parts, including the highly efficient X-13 blower motor**

Quality That Endures

Ruud Air Handlers combines money-saving efficiency, quiet operation, and legendary reliability to bring you total peace of mind in home comfort – year after year. Some Air Handlers cost more, some promise more – but nothing performs more reliably. It's that simple.

Rely On
RUUD[™]

Features & Benefits:

1. Lower Energy Costs. The heart of your Air Handler is the blower motor. That's why every Ruud air handler features an X-13 blower motor, providing energy savings, improved performance and durability.

2. Flexible Installation Options. The versatile four-way design of the Ruud Air Handler (upflow, downflow, horizontal left and horizontal right applications) allows our unit to fit in with the design of your home.

3. Efficient Cooling. Factory-installed MultiFlex® coils provide lower airflow resistance which results in high performance in an extremely compact size.

4. Optional Electric Heat. Factory-installed auxiliary heater kit includes circuit breakers that also meet UL and cUL requirements as a service disconnect switch.

5. Durable Cabinet. Our sturdy steel cabinet protects your Ruud unit from accidental bumps and bruises.

6. Serviceability. Service time and expense are kept to an absolute minimum. In addition to having one of the smallest overall profiles in the industry, your Ruud Air Handler has been engineered to provide your technician easy access to all internal components.

Limited Warranty Information

Ruud supports its equipment with strong warranties and reliable, professional service. That's why Ruud backs the RBHP Air Handlers with a 5-year limited parts warranty.

Protection You Can Count On

While your Ruud equipment is incredibly reliable and covered by an outstanding warranty, you can extend your warranty coverage with Protection Plus® extended service protection. Then you can relax and enjoy the comfort of your Ruud home comfort system – without worrying about the cost of parts or labor for unexpected repairs. And when Protection Plus® is purchased in conjunction with your dealer's maintenance program, you can enjoy the peace of mind that your equipment will be both maintained and repaired – as needed and without additional expense.

Ask your dealer about the variety of Protection Plus® plans now available. For more information, call 1-877-276-4294 or visit www.protectionplusonline.com.

KwikComfort® Financing

Ask your Ruud dealer about KwikComfort®

Financing, the easy and convenient way to

finance everything associated with your Ruud equipment – your original equipment, all subsequent service, Protection Plus® extended service protection, and even the comfort options you might choose to add later.
